2 In connection with the 2 & 3 annual D C B statements that are being rec'd in the Branch, I think it will be more useful, and it would lead to greater accuracy & attention in the D offices if ~~only~~ the ~~Revenue~~ D Comrs are requested to review the progress of collections every quarter and send a copy of the review to Govt for infn, instead of sending the statements to Govt.

3 This suggestion was made by the offg on 1st Dec 1914 in connection with the heavy arrears in the Months Please see para 5 of Departmental papers No 382 of 1915 It was then ordered that though the suggestion was good in its own way and tended to lighten our work, the present practice may continue as it was doubtful if the results would be quite satisfactory, the remarks of Govt being more effective than those of the

4. In this connection it is submitted that when the remarks of Govt themselves have had very little effect it is very unlikely that belated reviews of Deputy comrs will have any more effect Especially in the case of the Regulation Mauzas. If the Asstt comrs or the Dy comrs in revenue charge of sub Divisions are required to review the collection work every month better results may follow These reviews may be submitted to the Dy comr who may take notice of (shortcomings) slackness in collection of any Mauzas and report to Govt only in the worst cases. It is for the Revds and the Mauzas councils to review the collection work every month and the Dy comrs may watch whether such reviews are made and take suitable notice of continued unsatisfactory collect

Because of the above reasons

Should be
The reviews will be made soon after the month & will have better effect This is the procedure for L.R collections now

" These are the Presidents & are responsible for collections Reviews by Dy comrs will be better & a copy can be sent for the info" of Govt

It thus the responsibility on those who ought to bear it & hereafter, unless I am mistaken, the Sch B statement are sent in a routine way to the Treasury and Comr (for Dy Comr about the station) & the Dy Comr has to see them

If the Dy Comr is made to review the statements, he will, I may be sure,

see that the arrears are promptly collected & so not agree with the remarks on this point of Mr. Comptroller & Br. in my the Comrs

R437 15 The review by Government of belated Demand,
21/3/16 Collection and Balance statements does not serve
any useful purpose. A review by the Deputy Com-
missioners (in respect of the Mofussil Tas of the Legislative Council with a view to
of the Demand, Collection, and Balance
statement once a quarter immediately after the
expiry of the 3rd month (say within a week or a
fortnight thereafter) and the submission of this
review to Government by the Deputy Commissioners
is decidedly a better arrangement.

and Balance Statement is required to be placed before the Council every month for review under Rule 80 of the Municipal Account Manual, and no further review by the President once a quarter seems necessary. In respect of these Municipalities it seems sufficient if a copy of the Council resolution reviewing the Demand, Collection and Balance, be submitted to Government, perhaps, half yearly instead of monthly or quarterly (as the collections on account of assessed taxes are to be made in 2 instalments).

1) As regards para 16, it is submitted that the procedure of the two City Municipal Councils, and the other 6 Municipal Towns Councils are being received in this office, along with their accompaniments & the D C B statements in one of these.

2) But the remarks are secondary the D C B Statements are a number of Courts

3) It is advisable that the Dist Court should, as the controlling officers of Municipal & local bodies, receive the D.C.B Statements of all such bodies in their respective Dists. these of the two cities being separately treated in view of their Constitutional Courts with Govt direct.

4) As regards the suggestion that half yearly returns will be enough for the cities of the Extra Towns, it is submitted that a similar arrangement applies also to all Municipalities governed by the Municipal Regn, and also to all Unions as house tax is payable half yearly in all such areas.

5) It is a point for the entire effort should the period between each review should be if quarterly reviews are considered necessary. Subject to the above remarks, the draft

23 I do not approve of the scheme of provincial municipalities by the Council. Municipalities Members are responsible for all municipal Govt. - Power is necessary only in case of those of a subordinate - The relationship between a municipality & the Govt Council is head quarters & branches not analogous -

24 The Councils Members should have the check monthly & we can see the Valuations every month -

25 Rule 80 of the code seems useful - these rules may be discontinued

This order related to Municipal Councils. For District Boards, I think the D.C.B. returns from Presidents should be reviewed quarterly. The matter may be submitted to the Dewan for final orders. My own view is that while trying to reduce unnecessary routine and returns and reports it is desirable to continue to exercise supervision over the work of such institutions that are still undeveloped. District Fund institution e.g. Unions come under this class. Quarterly reviews, however, are sufficien so far as Government is concerned
